

## Safety Data Sheet

according to HPR, Schedule 1

Printing date 10/28/2020

Reviewed on 07/08/2015

### 1 Identification

· **Product identifier**

· **Trade name:** **RAPID' Salmonella Capsule, 100 x q.s. ad 250 ml**

· **Article number:** 3564710

· **Application of the substance / the mixture** Laboratory reagent or component.

· **Details of the supplier of the safety data sheet**

· **Manufacturer/Supplier:**

Bio-Rad  
3 boulevard Raymond-Poincaré  
92430 Marnes-la-Coquette  
Phone: +33 (0)1 47 95 60 00  
Fax: +33 (0)1 47 41 91 33  
e-mail: fds-msds.fr@bio-rad.com

Bio-Rad laboratories (Canada) Ltd.  
2403 Guénette Montreal,  
Montréal (Québec) H4R 2E9  
Phone: (800) 361-1808  
Fax: (514) 334-0872

· **Information department:** Customer support.

· **Emergency telephone number:** See item 16

### 2 Hazard identification

· **Classification of the substance or mixture**

Health hazard

Respiratory Sensitizer - Category 1 H334 May cause allergy or asthma symptoms or breathing difficulties if inhaled.

Skin Sensitizer - Category 1 H317 May cause an allergic skin reaction.

· **Label elements**

· **GHS label elements**

The product is classified and labeled according to the Globally Harmonized System (GHS).

· **Hazard pictograms** GHS08

· **Signal word** Danger

· **Hazard-determining components of labeling:**

Sulfadiazine  
novobiocin sodium

· **Hazard statements**

May cause allergy or asthma symptoms or breathing difficulties if inhaled.

May cause an allergic skin reaction.

(Contd. on page 2)

## Safety Data Sheet

according to HPR, Schedule 1

Printing date 10/28/2020

Reviewed on 07/08/2015

**Trade name: RAPID' Salmonella Capsule, 100 x q.s. ad 250 ml**

(Contd. of page 1)

### · Precautionary statements

Avoid breathing dust/fume/gas/mist/vapours/spray.  
 Contaminated work clothing should not be allowed out of the workplace.  
 Wear protective gloves.  
 [In case of inadequate ventilation] wear respiratory protection.  
 If on skin: Wash with plenty of soap and water.  
 IF INHALED: Remove person to fresh air and keep comfortable for breathing.  
 Take off contaminated clothing and wash it before reuse.  
 If skin irritation or rash occurs: Get medical advice/attention.  
 Specific treatment (see on this label).  
 If experiencing respiratory symptoms: Call a poison center/doctor.  
 Dispose of contents/container in accordance with local/regional/national/international regulations.

### · Classification system:

#### · NFPA ratings (scale 0 - 4)

Health = 0  
 Fire = 0  
 Reactivity = 0

#### · HMIS-ratings (scale 0 - 4)

Health = 0  
 Fire = 0  
 Reactivity = 0

## 3 Composition/Information on ingredients

### · Chemical characterization: Mixtures

· **Description:** Mixture containing components at a non hazardous concentration.

#### · Dangerous components:

|           |                                                                                                                                                                                                                              |               |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| 9005-25-8 | Starch                                                                                                                                                                                                                       | 80-100% w/w * |
| 1476-53-5 | novobiocin sodium                                                                                                                                                                                                            | 0.1-1% w/w *  |
|           | ⚠ Eye Irritation - Category 2A, H319; Skin Sensitizer - Category 1, H317                                                                                                                                                     |               |
| 68-35-9   | Sulfadiazine                                                                                                                                                                                                                 | 0.1-1% w/w *  |
|           | ⚠ Respiratory Sensitizer - Category 1, H334                                                                                                                                                                                  |               |
|           | ⚠ Acute Toxicity (Oral) - Category 4, H302; Skin Irritation - Category 2, H315; Eye Irritation - Category 2A, H319; Skin Sensitizer - Category 1B, H317; Specific Target Organ Toxicity - Single Exposure - Category 3, H335 |               |

\* Actual concentration ranges are withheld as a trade secret.

## 4 First-aid measures

### · Description of first aid measures

- **General information:** No special measures required.
- **After inhalation:** Supply fresh air; consult doctor in case of complaints.
- **After skin contact:** Immediately wash with water and soap and rinse thoroughly.
- **After eye contact:** Rinse opened eye for several minutes under running water.

(Contd. on page 3)

CDN

## Safety Data Sheet

according to HPR, Schedule 1

Printing date 10/28/2020

Reviewed on 07/08/2015

**Trade name: RAPID' Salmonella Capsule, 100 x q.s. ad 250 ml**

(Contd. of page 2)

- **After swallowing:** Consult a doctor, if necessary.
- **Information for doctor:**
  - **Most important symptoms and effects, both acute and delayed**  
No further relevant information available.
  - **Indication of any immediate medical attention and special treatment needed**  
No further relevant information available.

### 5 Fire-fighting measures

- **Extinguishing media**
  - **Suitable extinguishing agents:**  
CO<sub>2</sub>, extinguishing powder or water spray. Fight larger fires with water spray.  
Use fire fighting measures that suit the environment.
- **Special hazards arising from the substance or mixture** No further relevant information available.
- **Advice for firefighters**
  - **Protective equipment:** No special measures required.

### 6 Accidental release measures

- **Personal precautions, protective equipment and emergency procedures** Wear disposable gloves.
- **Environmental precautions:** Do not allow product to reach sewage system or any water course.
- **Methods and material for containment and cleaning up:** Pick up mechanically.
- **Reference to other sections** No dangerous substances are released.

### 7 Handling and storage

- **Handling:**
  - **Precautions for safe handling**  
Prevent formation of dust.  
Avoid all contact with reagents, even those considered to be non-hazardous.  
Follow good laboratory practices.  
Persons with allergies to antibiotics should avoid exposure.
  - **Information about protection against explosions and fires:** No special measures required.
- **Conditions for safe storage, including any incompatibilities**
  - **Storage:**
    - **Requirements to be met by storerooms and receptacles:** No special requirements.
    - **Information about storage in one common storage facility:** Not required.
    - **Further information about storage conditions:** None.
- **Specific end use(s)** No further relevant information available.

### 8 Exposure controls/ Personal protection

- **Additional information about design of technical systems:** No further data; see item 7.

(Contd. on page 4)

## Safety Data Sheet

according to HPR, Schedule 1

Printing date 10/28/2020

Reviewed on 07/08/2015

**Trade name: RAPID' Salmonella Capsule, 100 x q.s. ad 250 ml**

(Contd. of page 3)

### · Control parameters

#### · Components with limit values that require monitoring at the workplace:

**9005-25-8 Starch**

EL ( ) 10 mg/m<sup>3</sup>

· **Additional information:** The lists that were valid during the creation were used as basis.

### · Personal protective equipment:

#### · General protective and hygienic measures:

The usual precautionary measures for handling chemicals should be followed.

· **Breathing equipment:** Suitable respiratory protective device recommended.

· **Protection of hands:** Protective gloves

· **Eye protection:** Safety glasses

## 9 Physical and chemical properties

### · Information on basic physical and chemical properties

#### · General Information

##### · Appearance:

· **Form:** Powder

· **Color:** According to product specification

· **Odor:** Odorless

#### · Change in condition

· **Melting point/Melting range:** Undetermined.

· **Flash point:** Not applicable.

· **Danger of explosion:** Product does not present an explosion hazard.

· **Density:** Not determined.

#### · Solubility in / Miscibility with

· **Water:** Soluble.

· **Other information** No further relevant information available.

## 10 Stability and reactivity

· **Reactivity** No further relevant information available.

#### · Chemical stability

##### · Thermal decomposition / conditions to be avoided:

No decomposition if used according to specifications.

· **Possibility of hazardous reactions** No dangerous reactions known.

· **Conditions to avoid** No further relevant information available.

· **Incompatible materials:** No further relevant information available.

· **Hazardous decomposition products:** No dangerous decomposition products known.

### 11 Toxicological information

- **Information on toxicological effects**

- **Additional toxicological information:**

The product is not subject to classification according to internally approved calculation methods for preparations:

When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us.

- **Carcinogenic categories**

- **IARC (International Agency for Research on Cancer)**

|                                                                                      |   |

### 12 Ecological information

- **Toxicity**

- **Aquatic toxicity:** No further relevant information available.

- **Persistence and degradability** No further relevant information available.

- **Behavior in environmental systems:**

- **Bioaccumulative potential** No further relevant information available.

- **Mobility in soil** No further relevant information available.

- **Additional ecological information:**

- **General notes:** Avoid transfer into the environment.

- **Results of PBT and vPvB assessment**

- **PBT:** Not applicable.

- **vPvB:** Not applicable.

- **Other adverse effects** No further relevant information available.

### 13 Disposal considerations

- **Waste treatment methods**

- **Recommendation:** Must be specially treated adhering to official regulations.

- **Uncleaned packagings:**

- **Recommendation:** Disposal must be made according to official regulations.

- **Recommended cleansing agent:** Water, if necessary with cleansing agents.

### 14 Transport information

- **UN-Number**

- **DOT/TDG, ADR, ADN, IMDG, IATA**
